Which section of the SA are you commenting on?	Reasonable alternatives to the proposed main modifications to the Core Strategy Review

Please state which paragraph, table or Main Modification you are commenting on.

1.15

Please state whether you are: Objecting

Please use this box to set out your comments on the Sustainability Appraisal. Please be as precise as possible.

Details of your comment

The Sustainability Appraisal Assessment Addendum dated September 2021 identifies in paragraph 1.15 that increased "protection and conservation" of the setting of non-designated heritage assets generates a new minor positive (+) effect for policy CSD9. This really defies logical appraisal and should be disregarded.
