Dear Mr Ward and Mr Mileham,

Examination of the Folkestone & Hythe District Core Strategy Review

Thank you for your letter dated 6 April 2020 with your initial questions and requests. We are grateful that you are progressing with the examination process, given the current pandemic, and my team and I will endeavour to respond to your requests as quickly as possible.

I have attached a document which deals with each of your questions in the order you presented them in your letter. I have also included a copy of the draft 2020 Local Development Scheme, which is due to be considered by the council's Cabinet this month.

We are currently producing Policies Maps for you: one illustrating the adopted policies (Core Strategy 2013 and Shepway Local Plan 2006); the other as the Policies Map will be when the Places and Policies Local Plan is adopted (with the 2006 Shepway Local Plan superseded). Given the current restrictions, these have had to be prepared by staff working remotely from home without access to their usual IT equipment, but we will be able to send you electronic and paper copies within the next couple of days.

I hope that the attached documents answer your questions but if you would like any further clarification please do not hesitate to contact me.

Yours sincerely

Adrian Tofts
