Subject: Core Strategy Review

I wish to make further comments to the Inspectors.

FOLKESTONE AND DISTRICT COUNCIL are not complying to the legal requirements regarding the Statement of Community Involvement. The lives of the residents of Lympne, Westenhanger, Newingreen, Stanford and Sellindge will be made intolerable for the next thirty years if the new Garden Town comprising 10000 houses is built. Dust and noise together with traffic levels will be a burden for the foreseeable future. No account of this has been taken in the CSR appraisal. It was originally stated that to proceed Otterpool would need local support but there is no support from the affected inhabitants of the villages. If such numbers of houses are needed they should spread throughout the district.

Please take account of the quality of life in this part of Kent where many people have come to enjoy a peaceful retirement.
