## 1. Introduction

### 1.1 Background

- 1.1.1 This report provides information on the monetary (and some non-monetary) contributions sought and received from developers for the provision of infrastructure to support development in Folkestone & Hythe District, and the subsequent use, or intended use, of those contributions by Folkestone & Hythe District Council (F&HDC). It also provides a statement of the infrastructure projects or types of infrastructure which the Council as CIL charging authority intends will be, or may be, wholly or partly funded by CIL. The report covers the financial year 1 April 2020 – 31 March 2021.
- 1.1.2 F&HDC seeks developer contributions from two sources: through the Community Infrastructure Levy (CIL) and also Section 106 agreements (also known as “planning obligations”) with developers accompanying individual planning applications.

### 1.2 CIL

- 1.2.1 CIL came into force on 6 April 2010 through the Community Infrastructure Levy Regulations 2010 and has been in operation in the district since 1<sup>st</sup> August 2016. CIL is a set charge, based on the gross internal area floorspace of buildings, on new residential and supermarket development to help fund the infrastructure needed to address the cumulative impact of planned development. Our CIL Charging Schedule, setting out our CIL charging rates, is available on our website.
- 1.2.2 Local planning authorities must use CIL to fund ‘the provision, improvement, replacement, operation or maintenance of infrastructure to support the development of the area’. There is also a Neighbourhood portion of CIL – ‘Local CIL’ – which is similarly able to fund infrastructure but can also fund *‘anything else that is concerned with addressing the demands that development places on an area’*. Under ‘Local CIL’, a CIL charging authority must pass 15% of local CIL receipts to the Parish or Town council for the area where a CIL liable development takes place, rising to 25% if the parish has a Neighbourhood Plan in place. The St Mary in the Marsh Neighbourhood Plan was adopted following a Cabinet meeting on 30 January 2019. F&HDC has prepared a CIL Advice Note for Parish and Town Councils on CIL.

### 1.3 Planning Obligations

- 1.3.1 Section 106 of the Town and Country Planning Act 1990 enables a local planning authority to enter into a negotiated agreement – a planning obligation - to mitigate the impact of a specific development, to make it acceptable in planning terms. The planning obligation might, for example, require the provision or contribution to a new or improved road, school, health facility or local green infrastructure. Local planning authorities can also seek planning obligations to secure a proportion of affordable housing from residential developments. In some instances, section 106 planning obligations may require payments to be made to parish councils.

## 2. CIL

### 2.1 Community Infrastructure Levy Report

- 2.1.1 Total CIL receipts during reported year which includes any land and infrastructure “payments” received as “In-Kind” CIL payments; any CIL receipts subsequently set aside for CIL administration and ‘Local CIL’ purposes; any CIL surcharges/interest received, and CIL received for any other reason.
- 2.1.2 The District Council has a CIL instalments policy that came into effect in March 2017, which is set out on our website. This allows for CIL to be paid in up to three instalments over a 12-month period, depending on the CIL liability.
- 2.1.3 The CIL Demand Notice, however, sets out the whole sum payable and the instalments required; therefore CIL Demand Notices issued during a particular year do not necessarily equate to the CIL sums likely to be received during that year. In addition, developments can be altered through further planning permissions over time, often resulting in revised Demand Notices needing to be issued. Any such re-issued Notices are not double-counted in this report; if a Demand Notice is issued and then re- issued in the same reporting year, only the re-issued Notice would be included within the figure for CIL invoiced during the year.

### 2.2 Headline Figures

- 2.4.1 In 2020/21 the amount of £15,914.62 was spent on CIL administration, representing 5% of the total CIL received in 2020/21.
- 2.4.2 The District Council passed a proportion of CIL (Neighbourhood or Local CIL) to Parish and Town Councils under CIL regulations 59A and 59B in 2020/21, as set out in the following table:

Parish/Town Council	CIL amount provided

- 2.4.4 In 2020/21, under Regulation 59E, the District Council did not recover any CIL previously paid to a parish or town council.
- 2.4.5 Officers of the District Council has engaged with Town or Parish Clerks to direct parties to the CIL guidance note dated February 2018. There is also regular dialogue concerning the payment of the Neighbourhood Allocation to qualifying Town and Parish Councils. A presentation on CIL was delivered at the Parish Forum meeting held on the 8<sup>th</sup> July 2021 by an officer of the Council (Planning Policy Senior Specialist). To date there has been no corresponding spend of the Neighbourhood Allocation by Town or Parish Councils.

## 2.5 CIL receipts retained (allocated and unallocated)

- 2.5.1 'Allocated' means CIL sums retained by the reporting authority which have, or knowingly will be, passed to an internal team to fund a specific infrastructure project or infrastructure type. 'Allocated' also includes sums which will knowingly be passed to an external organisation but which are yet to be passed. The CIL Governance Framework allocates 35% CIL receipts to Kent County Council. However, no funds have been passed to this organisation in the report year.
- 2.5.2 The total amount of CIL receipts, received prior to 2020/21, which had been allocated

(to an infrastructure project or item), but not spent, by the end of 2020/21: £555,925.47. As reported in IFS 2020.

2.5.3 The total amount of CIL receipts, received prior to 2020/21, which had not been allocated (to an infrastructure project or item) by the end of 2020/21: £0

2.5.4 The total amount of CIL receipts, whenever collected including 2020/21, which were allocated (whether allocated prior to or during 2020/21) but not spent during 2020/21: £845,607.64

## 2.6 CIL receipts retained (regulation 59E and 59F)

2.6.1 No notices were served in accordance with regulation 59E (to recover CIL previously passed to a parish or town council).

2.6.2 CIL receipts received in 2020/21 retained at the end of 2020/21 (other than those to which CIL regulation 59E and 59F applied): £289,682.17

2.6.3 CIL receipts received before 2020/21 retained at the end of 2020/21 (other than those to which CIL regulation 59E and 59F applied): £555,925.47.

2.6.4 CIL receipts received in 2020/21 to which CIL regulation 59E or 59F applied, retained at the end of 2020/21: £28,582.26. Payment of these monies totaling £28,582.26 was made on either 21/04/2021 or 23/04/2021 to the associated Town and Parish Councils and will be reported in the 2022 IFS.

2.6.5 CIL receipts received prior to 2020/21 to which CIL regulation 59E or 59F applied, retained at the end of 2020/21: £0

## 2.7 The (CIL) Infrastructure List

2.7.1 Regulation 121A(1)(a) requires the infrastructure funding statement to include:

*“a statement of the infrastructure projects or types of infrastructure which the charging authority intends will be, or may be, wholly or partly funded by CIL (other than CIL to which regulation 59E or 59F applies) (“the infrastructure list”)”*

2.7.2 A significant role of the IFS is, therefore, to identify those infrastructure projects or types of infrastructure which Folkestone & Hythe District intends will be, or may be, wholly or partly funded by the Community Infrastructure Levy; whilst indicating other sources of funding that can be pooled to fund the same infrastructure projects.

2.7.3 In conjunction with the approved process for scheme prioritization as set out in the District Council’s CIL Governance Framework adopted by Cabinet in June 2020, the District Council has identified the following projects to represent its top priorities:

- Folkestone Town Centre Place Plan projects – to be defined in accordance with the advancement of the Place Plan
- Princes Parade Leisure Centre and open/play space provision

- Strategic Play Areas as set out in the adopted Play Area Strategy

2.7.4 The Council shall use as much as the CIL pot assigned under the control of F&HDC as possible to facilitate project delivery, as required. A proportion of future CIL receipts to be collected and controlled by the District Council could be used to repay loans used to support infrastructure, i.e. where the Council has acted to provide forward-funding.

## 3. Section 106

### 3.1 Planning Obligations Report

#### Relevant Local Plan policies

- 3.1.1 Core Strategy Policy SS5 specifies the Council will through planning condition or obligation (S106) require new developments to secure improvements towards required infrastructure which are necessary to make the development acceptable.
