Re: NATTRAN/SE/S247/3254 - Proposed stopping up of highway - Princes Parade, Folkestone, CT21 6AQA

We understand from an e-mail from Mr. Neil Crass of the National Transport Casework Team that the Applicant requires a copy of our objections to the stopping up of Princes Parade and therefore we attach it as requested. We would be grateful if you would forward this on.

Thank you for your assistance.
