Dear Caroline

I am writing to object to the proposed changes to our unique coastal road Princes Parade.

1. Our sea view that we bought our property for be spoilt.
2. Our canal is a place where locals and visitors come specifically to enjoy the nature and peace either in the water or walking alongside it.
3. Seabrook road as an alternative is already very busy and when cars are parked along it, there is already limited room for cars to drive in opposite lanes leading to driver frustration and risk taking.

We appeal to DfT to save our road.

Yours Sincerely  
Mrs C King
