**Subject:** NATTRAN/SE/S247/3254 - Objection to the Proposed Stopping Up Order - Princes Parade

Dear Sirs

I would like to add my Objection to the above proposed Stopping Up Order of Princes Parade. I strongly object to this proposal as it will cause immense traffic congestion to the local area, in particular Seabrook Road. I am a local resident and enjoy riding and walking along the southern pathway close to the Canal.

This peaceful alternative would be gone, and a road built instead. Not only would the Stopping Up of Princes Parade cause traffic chaos, it would stop our Emergency Services using the seafront as an alternative when Seabrook Road is congested due to commuters cars, buses, trucks, waste collection, narrow roadways, and no thought has been given to the safety of the school children at Seabrook Primary School and the ensuing pollution and the extra traffic effect would have on them.

I will be unable to attend the Inquiry, but would like to have my statement read and considered - I find this proposal totally unacceptable for the local area and residents, so I therefore strongly oppose it.

Thank you,  
Joshua
