Subject: Stopping up of road in princes Parade, Seabrook

Sir/madam

I am not appealing to you and totally support the stopping up (diverting) of the road along Princes Parade.

It has become dangerous and this road has become a race track and short cut for vehicles to use, so as not to travel on the A259, directional towards Hythe/Dymchurch.

As a new leisure pool/swimming pool will be built with housing, park and woodland the road must be a priority to the scheme, which again I support whole heartedly.

Hythe Aqua Swimming club will be losing their current pool which is becoming redundant and will close.

It is of utmost importance to everyone, infants, children, youth, adults and all water sports to have a new pool, to teach SAFETY and SURVIVAL in any water in our land,

Please accept this email in the manner it is sent to support all that is being done to make a safe road and area for the FUTURE generations at Princes Parade, a wonderful thing to turn the old refuse tip into a vision

Thank you

Wendy Wiseman
