Subject: Hythe Swimming Pool - Princes Parade - Road Movement

Dear Sir,

As a Hythe resident and a very frequent user of the current swimming pool, with regard to the forthcoming Highways Public Enquiry for Princes Parade, I want you know that I fully support the plans for a new leisure centre for Hythe together with the associated move of the Princes Parade road so that users of the new centre will have the obvious benefits of not having a road next to the promenade.

Yours sincerely

Leona Parker
