General Notes

This is Programme Version 2 incorporating **changes highlighted in yellow**. Programme Version 1 published on 30 October 2015 is cancelled.

No representors have requested to be heard by the Examiner. This programme makes no provision for hearings.

This programme records dates on which the Examiner has requested actions from the Council and representors and on which written representations and responses to questions should be submitted. It should be read in conjunction with any briefing note(s) and question paper(s) issued by the Examiner.

If the dates set for any actions change, a further version of this programme will be published.
