Dear Mr Smith,

**Shepway Community Infrastructure Levy (CIL) Examination:
Requirements under the CIL Regulations (2010) as Amended
Replacement of maps at Appendices 1- 3, Shepway CIL Draft Charging Schedule**

I refer to your letter of the 12th October 2015 (ref.: PD004-2-1), in which you request that the maps at Appendices 1 – 3 of the Shepway CIL Draft Charging Schedule are replaced, so as to provide greater clarity on boundaries.

Having considered the request the Council is in agreement with the need to replace the maps, as per the issues raised by your letter, so as to comply more fully with regulation 12 (2) of the CIL Regulations. It is also noted that the required changes are not considered to be a modification in respect of regulation 21 (3) of the CIL Regulations, because the maps do not need to be modified in any material way, given the proposed zone boundaries will not change.

The maps will be replaced before the closure of the examination (currently anticipated to occur on the 10th December 2015).

Yours faithfully

S Arnett
