Dear Matthew,

Thank you for your below email notifying Historic England of the Inquiry for the planned re routing of a road at Princes Parade.

Historic England has not been consulted by Folkestone and Hythe District Council about the Inquiry into the proposed Stopping Up Order so we were unaware of the date of the Inquiry. I have passed on your email to our Inspectors so they are now aware of the Inquiry but I'm afraid that we are not able to make representations at this late stage.

I am sorry we are unable to help you on this matter but if you have any further questions or comments please do not hesitate to get in contact again.

Kind Regards,
Sarah Garcia
