# Your District - An Overview

Our district is situated on Kent's south east coast and covers an area of 140 square miles. It is a place of variety and contrast with a landscape characterised by rolling chalk downland, wooded valleys, wild marshes, and a 26-mile coastline. The district has a population of approximately 113,300 of which 57.4% (32,900) of female residents and 59.1% (33,100) of males are of working age.

Our principal town, Folkestone, is home to just under half the district's population. It is also the area's commercial hub, particularly for creative and digital media - one of the UK's fastest-growing sectors. The Creative Quarter in Folkestone's Old Town is home to a thriving collection of artists' studios and creative businesses and offers artists, retailers and business people the chance to become part of this lively and ever-growing community.

As well as its strong creative focus, the district attracts a variety of innovative small and medium size businesses (SMEs) and is home to strong brand names including Saga, Eurotunnel, Holiday Extras, the Aspinall Foundation and Church & Dwight.

The historic town of Hythe is the district's second centre of population and one of two ancient Cinque Ports in the district. Its central feature is the Royal Military Canal, built for defence against invasion in the Napoleonic wars with France. To the west are the wide open spaces of Romney Marsh, home to New Romney, our second Cinque Port; Lydd, a member of the Confederation of Cinque Ports as a 'limb' of New Romney, and a number of smaller coastal communities. Contrasting with the wild expanse of marshes are the North Downs, a ridge of chalk hills that stretch from Dover to Farnham. The Downs are home to pretty villages, including Elham, Lyminge and Postling, hidden valleys and thriving vineyards.

Although the district is rural and coastal in character, it is very well connected. The M20 offers easy access to London and other major motorway networks, London is under an hour away via High Speed 1 (HS1) from Folkestone and we have unrivalled access to mainland Europe via the Channel Tunnel.

We think our district is a great place to live, work and visit. It's where the past has made its mark and where a bright new future is unfolding. As the local authority for the district, we have a key role to play in shaping that future.

Percentage of duties closed as homelessness prevented or relieved	-	46%	49%			45%	40% (Monthly)	✓	New KPI for 24/25 year	
Average number of rough sleepers in the period	19	17	22			19	6	X	▬	
<i>Outreach work is continuing . However, levels of rough sleeping overall are increasing at a national level. Funding for the Council's rough sleeping initiative is in place until July 2025 with further details on future funding arrangements to be confirmed.</i>										
Average number of households in Bed and Breakfast Accommodation	12	11	17			14	0	X	↓	
<i>The number of households in bed and breakfast accommodation is impacted by the number of people rough sleeping , which has increased over the quarter (see above). Current placements are for single people with more complex needs, for whom long-term move on accommodation is much more limited and has also been used as accommodation for families in emergency situations.</i>										
Average number of households in Temporary Accommodation	37	51	57			54	35	X	↓	
<i>The number of households in temporary accommodation remains high in line with national trends. The placements into this accommodation have included a significant number of single people with more complex issues, for whom providing suitable long-term accommodation is proving more difficult. The development of an action plan is in the early stages to help address this using our own stock.</i>
