Subject: NATTRAN/SE/S247/3254

I strongly object to the closure of Princes Parade and the plans to divert the road to run alongside the dearly loved historic Canal. It is a key issue in the development of the site and should be considered alongside the planning application itself.

I strongly object to the road closure plans and the scale of the development of the site which is having extra components put in on an ongoing basis. Originally there was no mention of closing Princes Parade and running a new road alongside the Canal.
