Dear Sir/Madam

Stopping up of a length of Princes Parade at Folkestone in the District of Folkestone and Hythe

I believe this stopping order is unnecessary as it will damage the local economy by preventing direct vehicle access to the beach. The proposed development could be served by the existing road. I also believe the stopping up order ("the order") should be considered by the Secretary of State at the same time as the planning application as this is the only manner in which it is possible to appreciate the full ramifications of the order on the lives and livelihoods of local people.

Yours faithfully

Louise Barton
