Dear Sirs.

I wish to register my objection to the proposed development of Princes Parade, Hythe, Kent and the subsequent road closure.

The development is totally inappropriate on a large section of precious seafront land which must be protected from development at all cost.

I find it unbelievable that this planning proposal can even be considered on one of the few area of undeveloped land in a prime position affording unique views across the English Channel to France.

Please protect this land from development.

Yours sincerely,  
Robert Alaway
