Dear Sirs

I am writing to register my objection to the proposed stopping up of Princes Parade in Hythe.

The proposal appears to be entirely unnecessary and will take away a well used and popular route along the seafront.

There seems to be no requirement to close this road for the proposed development - indeed it would seem more practical to actually use the route for contractor access to the site. There is no reason why contractor vehicles cannot share the road with other vehicles thus at the same time maintaining ongoing access for the public to this popular section of the seafront.

This appears to be yet another ploy to destroy an area that has provided pleasure to many people over many years and in my opinion is not at all necessary.

Regards
Marcia Wilson (Mrs)
