**Subject:** Stopping Up of Princes Parade, Hythe, Kent

Good evening

I wish to add my comments to the proposal of the above.

I have been coming to Hythe for over 40 years and now live here. The stopping up of Princes Parade is absolutely disgraceful. The only reason for doing so is to allow houses to be built along the Esplanade. This is an amenity used by walkers, cyclists, dog walkers and the disabled. Every spare inch of green space in Hythe is being gobbled up for housing. It will create parking in the roads around the town impossible and the enjoyment of the Military Canal will be ruined by these proposals.

I understand an enormous fence will be built closing off the new road from the canal. This is a ludicrous solution and one that needs preventing. If we do live in a Democracy then the Government must listen to the people. I have certainly heard nobody say they are in favour of these actions.

Regards

Dorothy Tweedy
