Subject: Objection to to stopping up reference number NATTRAN/SE/S247/3254 Princes parade Hythe Kent

Dear sir /madam

I would like to this opportunity to object to the moving of the existing road along Princes parade in Hythe Kent reference (NATTRAN/SE/S247/3254).

The reason for my objection is that if planning permission was to granted the road being moved would mean that I would no longer be able to park and walk with my mother [REDACTED] whom is in her late 80's and sadly is suffering from mid stage dementia either along the seafront or the Royal military Canal. These outings with my mother are very special to us owing to the dementia [REDACTED] only feels comfortable in familiar places where we have walked together over many years.

I believe that there is no need for the road to be moved as the new development could be served from the road layout as it is today.

Thank you for allowing me to raise these objections.
