Subject: NATTRAN/SE/S247/3254 Princes Parade development

Dear Sir or Madam,

Please find the following objections to the proposed development of Princes Parade in Hythe, Kent.

- Historic monument - the Royal Military Canal is an historic monument which must be preserved in tact.
- Swimming pool - is out of town and only those with cars will be able to access it
- View vista - the development will hamper the view to the sea for locals
- Infrastructure - diversion to current road would hamper tourists visiting the seafront

There are many reasons not to proceed - this area does not have sufficient roads, water etc and is already too crowded.

Kind regards,

Paulette D Driver
