To whom it may concern,

I object to the stopping up of Prince's Parade as it is an important road connecting Hythe to Seabrook, Sandgate and Folkestone. I live close to the road and use it often to take my children to sports and dance clubs in Folkestone and to access Folkestone West train station.

Even if the proposed development is given planning permission, the road does not need to be moved to service the planned houses. Also if the road was moved, it would restrict access to the beach for local people as well as visitors, which would have a severe negative impact on the whole area.

It is an important part of the history and character of the area and should be left alone.

Yours Sincerely,  
Kate Ruston
