Subject: Princes Parade Road

I would like to lodge my opposition to the closure of the road running along the seafront in Seabrook. Allowing another road to be built instead is madness for many reasons; cost, disruption, noise, pollution, impact on wildlife and surrounding nature areas.

As a local resident I feel Seabrook does not need any more changes, like the proposed new develop. The original road has served us well for many years, so I see no need for that to change now.
