Subject: NATTRAN/SE/S247/3254 Objection to stopping up of Princes Parade

Dear Sir or Madam,

I have just realised that on 6th June 2018 I emailed you the unsigned letter rather than the signed, scanned letter from Mrs Edwina Hanson, [REDACTED]. It was dictated to me by her and then saved so that I could print it off so she could sign it which she did. I then mistakenly sent you the saved document rather than the scan.

I hope it will not be too late for her signed comments to be included in the objection to the stopping up.

Best wishes,

Chris Farrell
